1. Service Hint

1.1. Background

During the replacement of the top cabinet for the mentioned models, the below rules of compatibility (Table 1) must be followed & parts must be replaced correctly. This is mainly due to top cabinet specification change (additional of one screw hole) for improvements.

1.2. Service Parts Replacement (Compatibility)

Note:

- When replacing the new top cabinet, ensure that the NEW bottom

chassis must also be changed together at the same time (Refer to Table 1).

- Do not interchange the parts.
